

BP1 HIGHLIGHTS

REGION 7 HEALTHCARE COALITION

WP 15 - COALITION SURGE TEST

- Coalition partners decided to make participation in the CST mandatory for all facilities.
- The Region 7 EMS Strike Team participated in the CST with the ability to call up 5 rigs if needed, within an hour or less.

WP 20 - CONTINUOUS QUALITY IMPROVEMENT (FSE)

- Upon receiving the 2018 Full Scale AAR, Region 7 scheduled individual AAR/Improvement Plan site visits with each participating facility and had 90% of facilities participate.

WP 33 - NDMS FACILITY RECRUITMENT

- Munson Medical Center and McLaren Northern Michigan have signed on to be NDMS designated facilities in Region 7.

WP 35- INTEGRATION OF EMS INTO EMTRACK

- EMS use of EMTrack was previously a gap, region-wide, as confirmed by past after action reports.
- Region 7 has been able to recruit and enroll 35% of EMS agencies into EMTrack.

WP 44- REGIONAL PIO DEVELOPMENT

- Region 7 began a regional PIO work group in January 2018 which led to 100% of hospital PIO participation in the Full Scale Exercise.
- The PIO work group continues to grow with an 80% participation rate and now includes Emergency Management and Tribal Representatives.

WP 54 - VOLUNTEER MANAGEMENT

- 25 people attended Region 7 VRC training at the 2018 CERT Conference at Camp Grayling.
- Region 7 has worked closely with Benzie County Emergency Management to identify personnel to form a VRC team to maintain, train, and respond with VRC equipment.
- Equipment is currently being utilized for training in preparation for the December 2018 National Park Service Functional Search and Rescue Exercise.

WP 56 - PEDIATRIC READINESS

- 100% of Region 7 hospitals responded to the Pediatric Readiness Survey.
- All hospitals have identified a Pediatric Champion who aided in completion of their facility's survey before the deadline.

WP 58- BURN SURGE FACILITIES

- Region 7 has successfully secured 3 hospitals as Burn Surge Facilities with the most recent addition being MidMichigan Alpena.
- MidMichigan Alpena is approximately 85% complete with their BSF training and are expected to complete training in November of 2018.

WP 73 - SPRN LIFE SUPPORT TRANSPORT AGENCY ACTIVITIES

- Region 7 began SPRN Transport Team meetings in June 2018 and sent 2 agencies to the Statewide Ebola training in August 2018.
- Agencies identified equipment to be used in training and real world events and have begun coordinating with hospitals for SPRN emergency preparedness.
- Each transport agency has enrolled 2 people to attend the Highly Infectious Disease training in Anniston, Alabama.

WP 74 - REGIONAL EMS STRIKE TEAM

- 75% of EMS StrikeTeam Agencies participated in the 2018 Coalition Surge Test.
- In 2017 MidMichigan Alpena experienced issues with a back up boiler leading to the potential for transferring patients. The EMS Strike Team was activated to standby for response if needed.
- 2Strike Team agencies activated for the 2018 Labor Day Mackinac Bridge Walk.
