VIRTUAL NDLS INSTRUCTOR COURSE

November 22, 2024 from 9-1pm

Interested parties email Judy Wheeler at judy.wheeler@wmed.edu for the enrollment code. Course registration opens approximately 30 days prior to course date.

PEDIATRIC EDUCATION HOUR

November 26, 2024 from 2-3pm

We will hear from several pediatric readiness leaders in Michigan including, Dr. Sam Mishra, Cam Brandt and Josie Kik. Cam and Josie will cover ways PECCs can get engaged, some easy first steps to take in implementing the role, how to start tackling pediatric QI efforts and how to utilize free simulation resources online! They will also review the opportunities available to any ED PECC to have the support of their team through an available pilot project: MPRIP (Michigan Pediatric Readiness Improvement Project).

The brief presentation of resources and opportunities will be followed by open office hours for attendees to ask questions related to pediatric readiness work, being a pediatric champion, working on pediatric readiness assessments and QI efforts etc.

MICHIGAN DIALYSIS COMMUNITY JOINT TRAINING SESSION

To Be Determined

This virtual collaborative meeting will bring together the Kidney Community Emergency Response (KCER) Program, End Stage Renal Disease (ESRD) Network, and the state-level Emergency Management/ESF-8 agency or Leading Healthcare Coalition (adding a few of our Healthcare Coalition Contacts as well). Each participant will have the opportunity to share valuable information and resources with dialysis providers in your territory.

The KCER team will facilitate the preparation of all meeting materials and extend invitations to all in-state dialysis providers. To streamline the scheduling process, please utilize the Doodle scheduling tool linked below to select a date and time that aligns with the availability of your state Emergency Management/ESF-8 and/or HCC. Please choose any date/time available for November.

The virtual session would be slated to last 75 minutes, with the following agenda:

- 20 minutes: KCER Program overview
- 20 minutes: ESRD Network overview
- Optional 20 minutes: Your agency sharing information/resources with dialysis providers (if desired)
- Remaining 15 minutes: Q&A session

This event welcomes participation from all dialysis facilities and professionals in the fields of emergency management, public health (ESF-8), healthcare coalitions, and additional federal, state, and local stakeholders involved in disaster response and recovery.
