## PEDIATRIC EDUCATION HOUR

**November 26, 2024 from 2-3pm**

We will hear from several pediatric readiness leaders in Michigan including, Dr. Sam Mishra, Cam Brandt and Josie Kik. Cam and Josie will cover ways PECCs can get engaged, some easy first steps to take in implementing the role, how to start tackling pediatric QI efforts and how to utilize free simulation resources online! They will also review the opportunities available to any ED PECC to have the support of their team through an available pilot project: MPRIP (Michigan Pediatric Readiness Improvement Project).

The brief presentation of resources and opportunities will be followed by open office hours for attendees to ask questions related to pediatric readiness work, being a pediatric champion, working on pediatric readiness assessments and QI efforts etc.
